PUBLIC SERVICES - Madras Revised Scales of Pay Rules, 1947 - G.O. No. 78 Finance Dated 6-2-47 - Madras Medical Subordinate Service - Further Amendment issued.

C.No. 45013. Education & Public Health Department.

From the Surgeon-General Reference No. 36284-G/48 dated 15-6-48.

Laboratory attendants II Grade in Certain Government Hospitals Enhancement of Scale of Pay.

In G.O. No. 907, Finance dated 20-11-1947 the scale of pay of laboratory attendants II grade in the Government, Women and Children Hospital, Madras was revised from Rs. 19-30 to Rs. 30-1-45. The Surgeon-General states that similar posts exist in the Government Erskine Hospital, Madura; Headquarters Hospital, Tanjore; Tuberculosis Institute, Madras and the Kasturba Gandhi Hospital for Women and Children, Tribplicane, Madras. On the ground that the duties performed by the laboratory attendatns of these hospitals are similar to those performed by the laboratory attendants of the Government Women and Children Hospital, Madras and that there is no difference in the qualification prescribed for both the posts, he suggests that the laboratory attendants attached to the above hospitals may be allowed the scale of pay sanctioned in G.O. No. 907, Finance Dated 20-11-47. The Surgeon-General's proposal may be supported in this department and the file sent to Finance for the issue of necessary orders.

FINANCE (E III).

The proposal is to revise the scales of pay of the Laboratory Attendants, II Grade in the Erskine Hospital, Madura; Headquarters Hospital, Tanjore; Tuberculosis Institute, Madras and the Kasturba Hospital, Triplicane from Rs. 19-2/2-25-1/2-30 to Rs. 30-1-45 as in the case of the Laboratory Attendants, Grade II of the Government Hospital for Women and Children, Madras sanctioned in G.O. No. 907, Finance dated 20-11-47.

But the Government have already sanctioned revised scales of pay for the Laboratory Attendants in the Tuberculosis Institute, Madras and the Erskine Hospital, Madura as Rs. 24-1-32-½ (A)-35 vide entries under class XXIII of Madras General Subordinate Service on page 14 of G.O. No. 78, Finance dated 6-2-47.

SP/12.6. (Contd)

It is stated that the duties performed by the Laboratory Attendants in the Hospitals mentioned at 'A' above and the qualifications prescribed for them are the same as those of h the attendants in the Government Hospital for Women and Children. The Laboratory attendants, II Grade in the Women and Children Hospital should have been given only the scale of Rs. 24-4-32-½ (A)-35 as the duties and the qualifications are the same. They have been however granted the scale of Rs. 30-1-45 applicable to the Laboratory attendants, II grade in the King Institute, for whom higher qualifications have been prescribed - cf. entries against categories (2) and (6) under Class III on page 182 of Madras Services Manual, Volume III. Apparently for this reason, the Cabinet salaries Committee recommended a higher scale for the Laboratory Attendants, King Institute, Gunidy II grade as compared with the Laboratory Attendants in other institutions even though the existing scale was the same. Education & Public Health may therefore be requested to consider in consultation with the Surgeon-General whether the revised scale of pay sanctioned in G.O. No. 907, Finance dated 20-11-47, may not be revised to Rs. 24-1-32-½(A)-35-
